a sneak peek!

Help your students practice
solving two step equations.
Students will be eager to get
the self-checking benefits from
this digital pixel art activity!

SOLVING TWO STEP EQUATIONS

#	Question	Answer	Directions: Answer each question correctly and pixels will appear to reveal a picture!
1	$\frac{x}{6} - 9 = -10$		
2	$-10(-9 + x) = 290$		
3	$-7 = \frac{2 + x}{-3}$		
4	$126 = -9(3.3 + x)$		
5	$\frac{x + 10}{4} = 1$		
6	$-\frac{1}{4}(x - 8) = 5$		
7	$-52 = 3x - 7$		
8	$1.3 = \frac{x + 2.02}{-3.6}$		
9	$\frac{2}{3}x - 6 = 2$		
10	$-2.5 + \frac{x}{10} = -1.49$

Self-Checking

Why do you need this?

Solving Two Step Equations Pixel Art

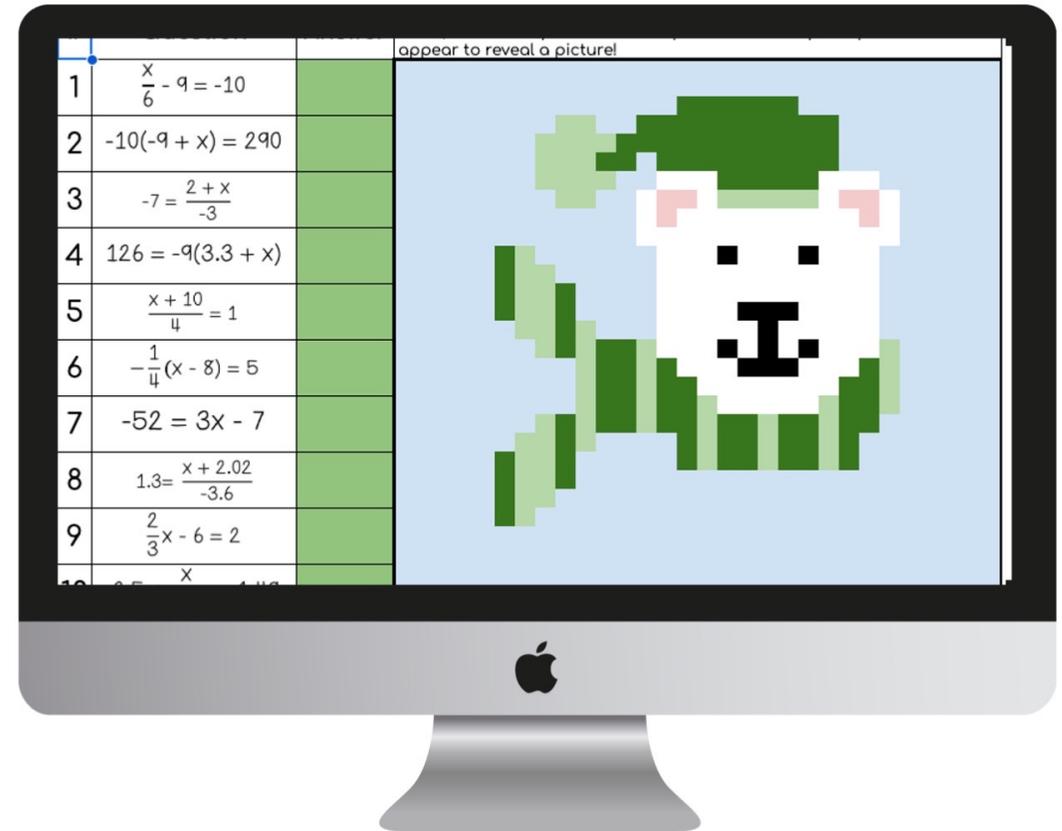

It's self-checking! Your students will instantly know if they are correct or not.

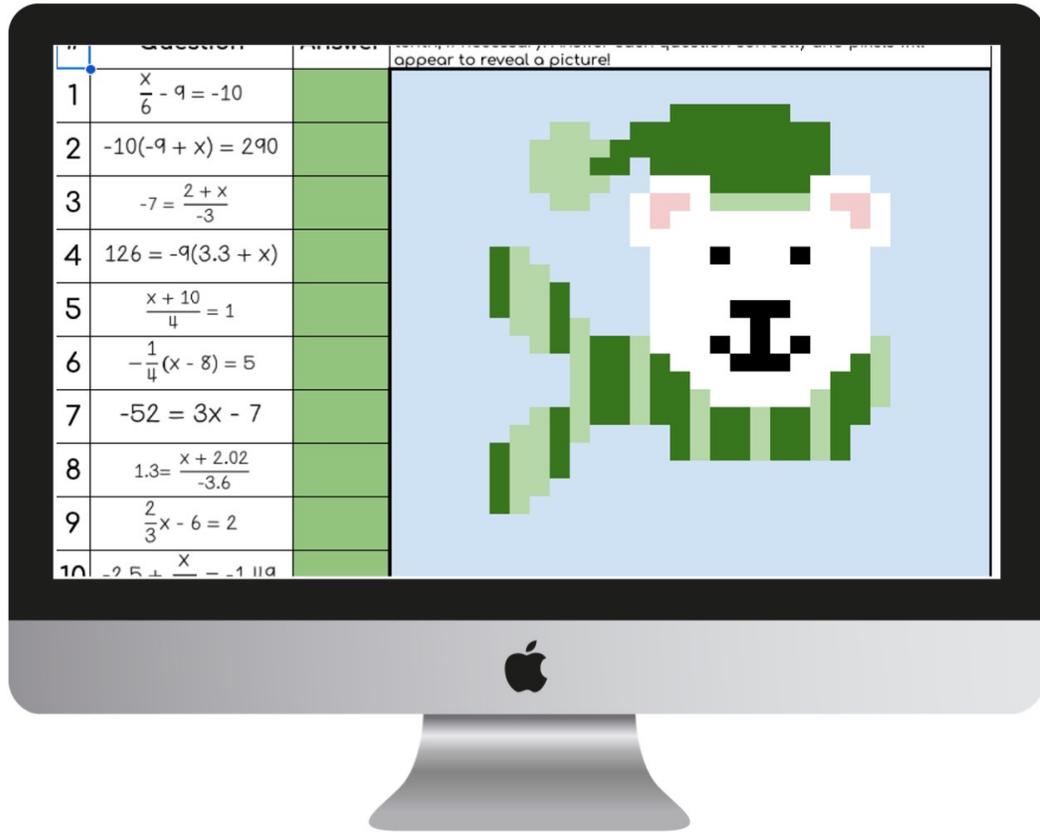

Help your students practice this essential math skill.

Your students will be so engaged trying to figure out what the picture is!

Two Step Equations Pixel Art includes:

- ✓ 10 self-checking problems
- ✓ an answer key
- ✓ a self-checking version
- ✓ an assessment version

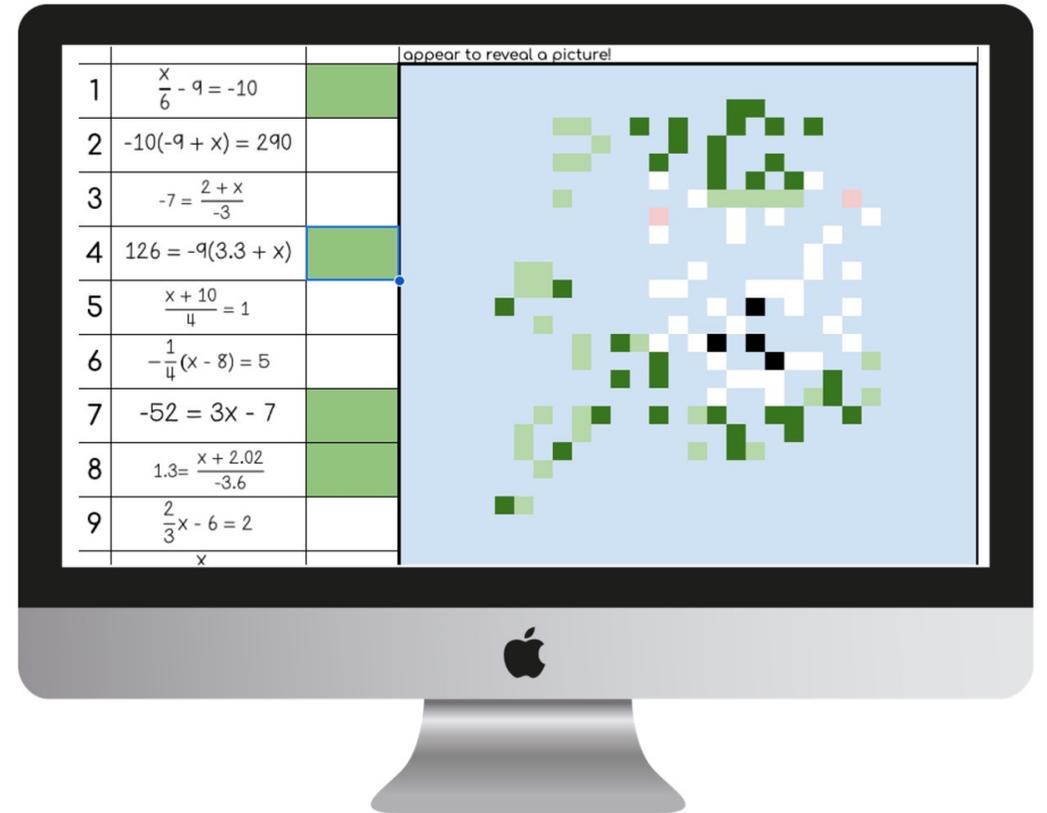

Two Step Equations Pixel Art

standards covered:

CCSS: 7.EE.B.4a

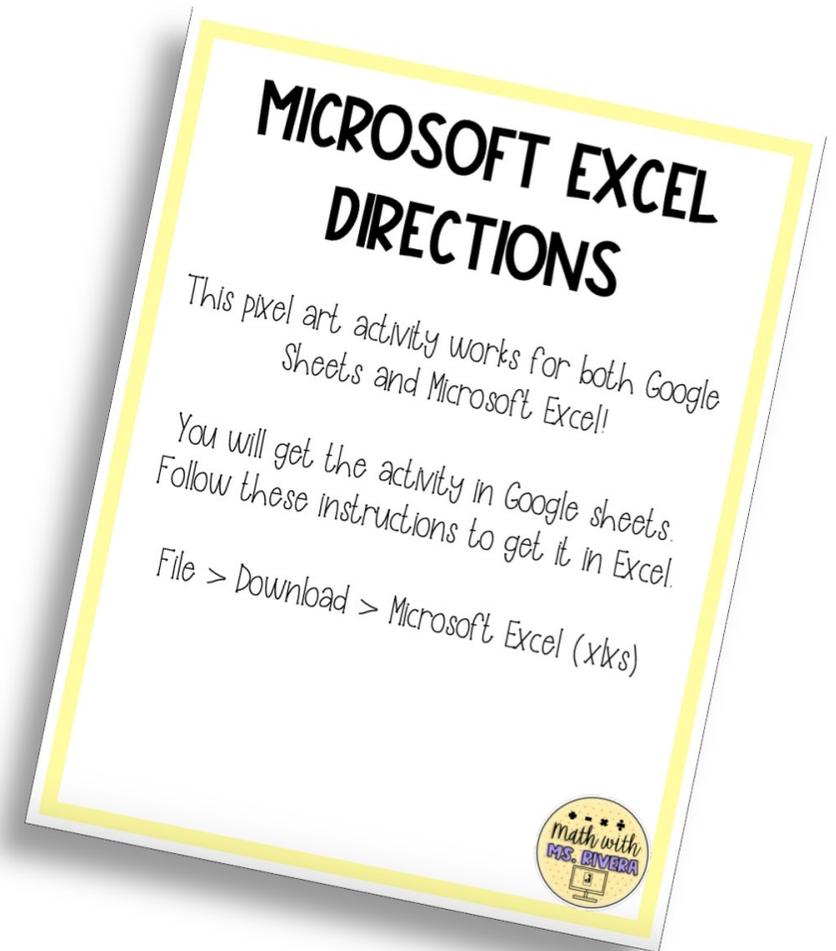

TEKs: 7.11.A

VA SOLs: PFA.7.12

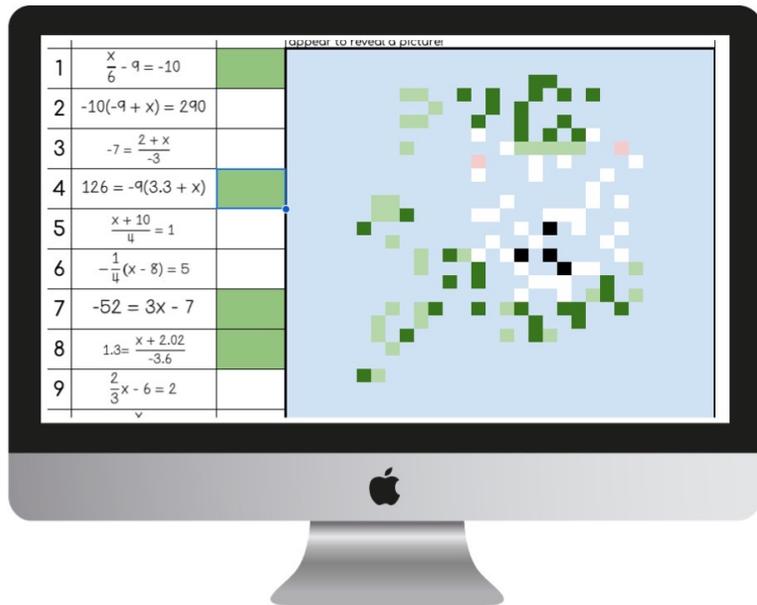

Two Step Equations Pixel Art

Can be used with Google Sheets
and Microsoft Excel
Directions included!

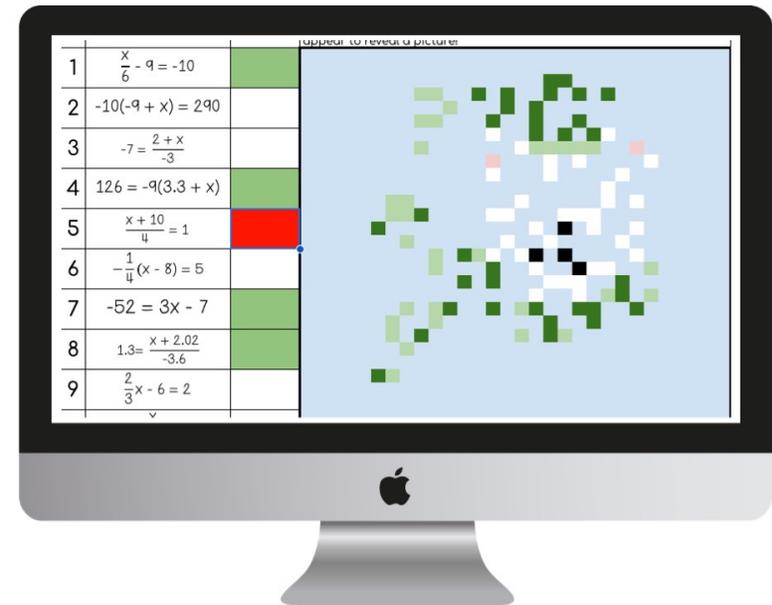

Two Step Equations Pixel Art

If they answer it correctly, some of the pixels will appear.

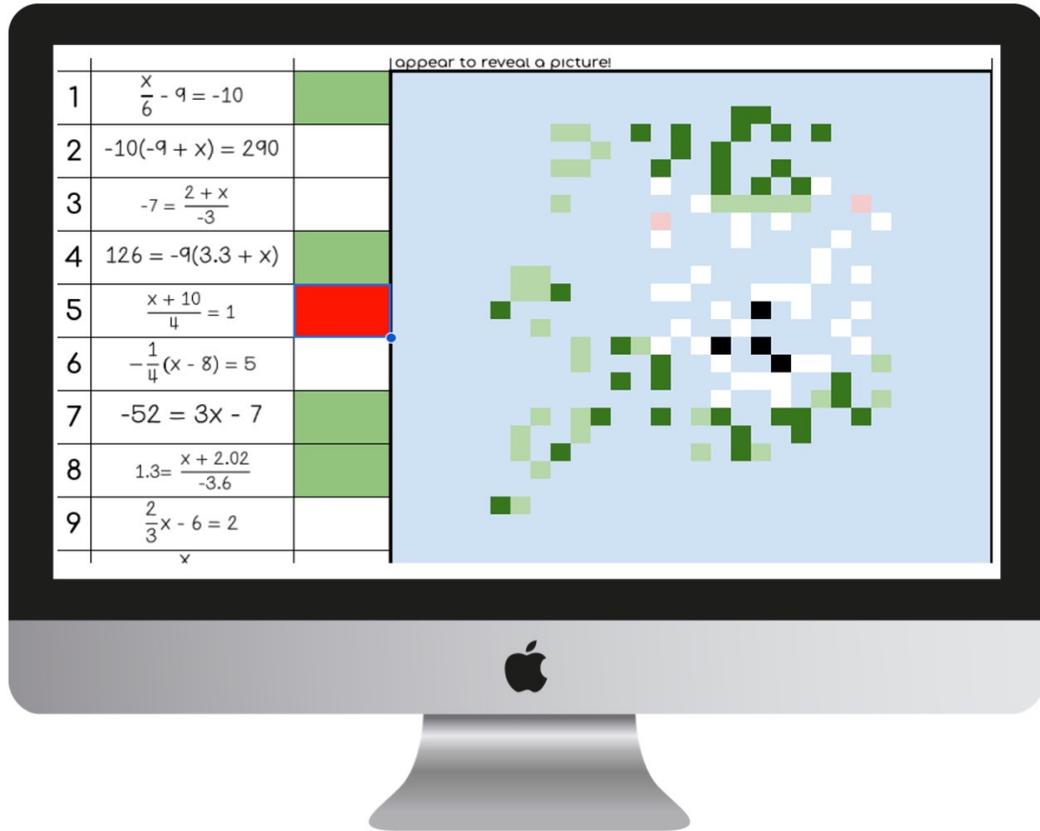

If they answer it incorrectly, the answer box will turn red & no pixels appear.

Your students will *love* trying to figure out what the picture is **WHILE** doing math!

how to use this resource

This is a great activity to use when reviewing how to solve two step equations.

It can be used right after teaching the concept or as homework.

This is also a **substitute-friendly** assignment!

hey there!

My name is Malia and I'm passionate about making learning and practicing math fun. I love creating engaging math resources for my students and I hope your students enjoy this activity too!

Did you know you could get **FREE** money from TPT??

All you need to do is leave feedback on the product after you purchase. [Click here](#) to leave reviews and earn credits towards your next TPT purchase!
